

Determination Regarding Holding Meeting Without Anchor Location

Public Body: Committee of Consumer Services

Chairman: Larry Skinner

The public meeting scheduled for March 23, 2021 will be conducted electronically and without an anchor location. I have determined that due to the COVID-19 pandemic and the continued risks of transmission in Utah meeting with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location.

Signed this 1st day of March, 2021
